After the property is vested in the District Board it is left to the discretion of the Board either to maintain it or not. But in the present case the building has been ordered to be transferred to the Board on condition that they should keep it in good repair and bear the cost of ~~establishment~~ maintaining it besides providing additional accommodation. It is respectfully submitted that it was probably necessary to obtain the views of the District Board as to their willingness to repair and maintain the building in consideration of the necessity therefor and of their financial condition.

The papers on the subject, which have been obtained from the office of the Municipal Secretary do not show that the Deputy Commissioner's recommendation was placed before the Board

The Financial Condition of the Mysore Dt: Board does not seem to be sound. The closing balance in favor of the Board is not much above the prescribed minimum. Br: IV does not explain the necessity to curtail it still further. Nor has it been explained as to whether the future resources of the Board are likely to place its finances on a sound footing.

If the cess required for the current year can be met by re-appropriation there is no objection on general financial grounds as the recurring cost involved is small —

Proceedings of the Government of H. H. the Maharaja of Mysore

Read:-

Govt. Pro. No. 3957-64½ dated 17th March 1906, directing the revival of feeding in all the Nuzrai Chatrams in the State.

Letter No. 424 dated 23rd April 1907, from the Deputy Commissioner, Mysore District, submitting a report regarding the Chattrams at Maddur and Sivapur.

Order thereon No. 1287-9 Dated Bangalore, 2nd Sept. August 1907

The Government while directing the revival of feeding in the Nuzrai Anna Chattrams in the State, requested the Deputy Commissioners of Districts to submit proposals on the additional establishments that might be required in consequence of such revival. The Deputy Commissioner of the Mysore District has accordingly submitted his proposals for the revision of the establishments of the Maddur and Sivapur Chattrams in his District, and also recommends that the last named Chattram may be converted into a Musafarkhana and handed over to the Local Fund Board.

2. The Government observe that although the Chattram at Maddur is included in the general Order of the 17th

March 1906, read above, directing the revival of feeding in all the Chattrams in the State still the circumstances of that Chattram are peculiar. After the opening of the Railway, the number of Travellers alighting at Maddur has greatly diminished further there is no building for holding a feeding Chattram there and the construction of a new Chattrams building has had to be put off for want of funds. At present merely raw rations are given to the few pilgrims, chiefly Byragees, who resort to the place. The Government are therefore of opinion that there is no necessity for reviving feeding and entertaining an additional establishment therefor in the Maddur Chattram. The distribution of raw rations however shall go on as usual.

2. As regards the Chattram at Sivapur which is situated close to the Maddur Railway Station the Government observe that it is largely resorted to by the travellers proceeding to & from Malavalli Sivanasamudram & Kollegal and but that the accommodation in the Chattram is insufficient to meet the requirements . As it is not possible to keep up both the Chattrams at Maddur and Sivapur out of the Tasdik of the single Chattram at Maddur the Government direct that the existing establishment of the Chattram at Sivapur be dispensed with and the building made over to the Local Fund Board as recommended by the Deputy Commissioner, on the understanding that they should keep it in

good repair and also bear the entire cost of its up-keep besides increasing the accommodation to travellers as far as possible.
